

# **CITY OF PINCONNING**

## **NOTICE OF PROJECT PLAN PUBLIC HEARING**

The City of Pinconning will hold a public hearing on the proposed project plan for the purpose of receiving comments from interested persons.

The hearing will be held at 5.00 p.m. on Monday June 27th, 2022, at the City of Pinconning Meeting room, 208 S. Manitou Street, Pinconning, Michigan 48650.

The purpose of the proposed project is to construct new water mains throughout the city where small diameter water main exists, install new water meters and replace existing lead service lines.

Project construction will involve installation of new water mains and replacement of water services from the new main to the right of way line, associated pavement restoration, lawn restoration, lead service line replacements to the home from the water main, and water meter replacement.

Impacts of the proposed project will improve water quality, system reliability and elimination of lead service lines within the community. Short term construction related impacts include increased noise and dust during construction of the improvements.

The estimated project cost for the project has been estimated at \$10.4 Million Dollars. The project will be financed with low interest loans, grants, and principal forgiveness.

Copies of the plan detailing the proposed project are available for inspection at the City of Pinconning Meeting room, 208 S. Manitou Street, Pinconning, Michigan 48650.

Written comments received before the public hearing will be entered into the Public Hearing record and should be sent to the City of Pinconning Meeting room, 208 S. Manitou Street, Pinconning, Michigan 48650.
