BAY METROPOLITAN TRANSPORTATION AUTHORITY (BMTA)

Fiscal Years 2022 - 2024

Federal Transit Administration (FTA)

Disadvantaged Business Enterprise (DBE) Program Goal

Pursuant to U.S. Department of Transportation regulations at 49 CFR Part 26, §26.45, BMTA announces its goal for its portion of FTA-funded bus transit programs for fiscal years (FY) 2022 - 2024.

BMTA proposes the adoption of an FTA DBE goal of 0.74 percent for FY 2022-2024. The recommended DBE goal of 0.74 percent will be met through race neutral means. Race neutral participation occurs when BMTA and its grantees purchase bus-transit-related goods from, or contract with, a DBE firm when there is no specific requirement for DBE participation associated with the purchase or contract.

Comments or requests for information regarding how this goal was established may be submitted until noon on July 22, 2022 to:
